DAVIDSON COUNTY    )

**REVISED  
DECLARATION OF  
RESTRICTIVE COVENANTS  
ARCADIA RIDGE Phases 1 and 2**

**KNOW ALL MEN BY THESE PRESENTS:** That Whereas Hubbard Realty of Winston-Salem, Inc., a North Carolina corporation having its principal office in Forsyth County, North Carolina (hereinafter "Declarant") is the owner of all of the lots in the development known as ARCADIA RIDGE Phase 1, map of which is recorded in Plat Book 71, Page 78, and is the owner of all of the lots in the development known as Arcadia Ridge, Phase 2, map of which is recorded in Plat Book 72, Page 31 in the Office of the Register of Deeds of Davidson County, North Carolina; and whereas Declarant desires to impose certain restrictions and conditions upon present and future owners of said lots;

**NOW, THEREFORE,** Declarant hereby covenants and agrees, for itself and its heirs and assigns, with all persons, firms, corporations, or other parties hereafter acquiring title to lots in aforesaid development, that all of the said lots are hereby subjected to the following restrictions and conditions as to the use thereof, said conditions and restrictions to be appurtenant to and to run with all of the lots in said development, by whomsoever owned.

1.     **LAND USE AND BUILDINGS:** No lot shall be used except for residential purposes, and no building of any type shall be erected, altered, or permitted to remain on any lot other than one stick-built, detached single-family dwelling and its customary appurtenant structures. Storage buildings shall be located in rear yards only and shall be screened from view from the street. When the construction of any building is once begun, work thereon shall be pursued diligently and continuously until the full completion, and must be completed in accordance with said plans within twelve months after the start of the first construction upon each building lot unless such completion is rendered impossible as the direct result of strikes, fires, national emergencies, or natural calamities.

2.     **SUBDIVISION OF LOTS:** No residence shall be erected on less than one lot and no lot shall be subdivided. By acceptance of a deed to a lot in the Arcadia Ridge subdivision, each owner, his heirs, successors and/or assigns, agrees that there shall be no further subdivision of lots or alteration of the approved subdivision plan.

3.     **DWELLING SIZE AND LOCATION:**

A.     **Size:** No single-family dwelling shall be built, erected, altered or used unless it shall contain at least 1,700 square feet of heated and finished floor space, to be measured from outside wall lines, for the main body of the structure, exclusive of porches, garages, terraces, and basements, if the structure is a one-story dwelling. A two-story dwelling shall contain at least 2,000 square feet of floor space as measured above. A one and one-half (1½) story dwelling shall contain at least 1,200 square feet of floor space on the

first floor, with a total of 1,700 square feet within the dwelling as measured above. No portion of any building erected on this property shall have exposed concrete blocks on the exterior; stucco or surewall foundations are acceptable.

B. Building Location:

(i) No residential dwelling shall be located on any lot nearer to the front lot line, rear lot line, or nearer to the side street line than the minimum building setback lines which may be shown on any plat of the subdivision, or nearer than the zoning ordinance allows for any setback.

(ii) No chain link or other restraining type fencing may be erected nearer the front property line than the front foundation wall of the single-family dwelling thereon. Any chain link fencing shall be green or black coated. Any wood fencing shall have the "smooth" on the outside.

(iii) For the purposes of this paragraph 3, eaves and steps shall not be considered as a part of a building; provided, however, that this shall not be construed to permit any portion of a building to encroach upon another lot.

(iv) All garages shall have electrically operating garage door or doors sufficient for two motor vehicles. Garage units shall not be used for storage to the extent that parking for two motor vehicles is precluded; i.e., a motor vehicle shall not be permitted to be parked in the driveway when not in use due to the unavailability of garage space being used for storage. Additional motor vehicles exceeding the two intended for garage parking may be parked on the driveway between periods of regular use. It is the express purpose of this provision to require garages to be first used for occupants' vehicles, and to prohibit any parking of other motor vehicles on the driveway which are not in regular usage by the occupants of the residence.

4. DRIVEWAY CONSTRUCTION: All driveways shall be paved with asphalt or concrete.

5. STREET LIGHTING EXPENSE: The Declarant has subjected the real property in this Subdivision to a contract with the City of Lexington Utilities Department for the installation of Street Lighting which requires a continuing monthly payment to the City of Lexington by each residential customer. By acceptance of deed for a lot in Arcadia Ridge, each lot purchaser agrees to be obligated for the payment of monthly charges by the City of Lexington Utilities Department for the Street Lighting installed.

6. GENERAL RESTRICTIONS:

A. Excavation: No elevation changes shall be permitted which materially affect surface grade of surrounding lots.

B. Waste and Refuse: No lot or other area in the subdivision shall be used as a dumping ground for rubbish or a site for the accumulation of unsightly materials of any kind, including without limitation, broken or rusty equipment, disassembled or inoperative cars and discarded appliances and furniture. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or other disposal of such material shall be kept in clean and sanitary condition.

C. Storage: No lumber, brick, stone, cinder block, concrete or other building materials, scaffolding, mechanical devices, or any other thing used for building purposes shall be stored on any lot except for the purpose of construction and shall not be stored for longer than the length of time reasonably necessary for the construction to completion of the improvement in which same is to be used.

D. Outbuilding Occupancy: No garage, garage house or other outbuilding (except for sales offices and construction trailers during the construction period) shall be occupied by any owner, tenant or other person prior to the erection of a residence.

E. Mechanical Apparatus: No air conditioning apparatus shall be installed on the ground in front of a residence. No air conditioning apparatus shall be attached to any front wall or window of a residence. No evaporative cooler shall be installed on the front wall or window of a residence.

F. Satellite Discs: Any discs, or other equipment for receiving or sending sound or video messages shall be shielded from view from the street to the greatest extent practicable.

G. Professional Activities: No lot or improvement shall be used for business, professional, commercial or manufacturing purposes of any kind, unless permitted by the Unified Development Ordinance or other pertinent zoning regulation. No activity, whether for profit or not, shall be conducted which is not related to single-family residential purposes. Nothing in this subparagraph shall prohibit an owner's use of a residence for quiet, inoffensive activities such as tutoring or giving art lessons so long as such activities do not materially increase the number of cars parked on the street or interfere with adjoining homeowners' use and enjoyment of their residences and yards.

H. Signs: No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or for rent, or signs used by a builder to advertise the property during the construction and sales period.

I. Hobbies and Activities: The pursuit of hobbies or other inherently dangerous activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause disorderly, unsightly or unkept conditions; and such other activities shall not be pursued or undertaken on any part of any lot or common area without the written consent of Declarant.

J. Animals: No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purposes and provided they are not permitted to become a nuisance to the neighborhood.

K. Pools: No above-ground pools, except children's wading pools, shall be located on any lot in the subdivision.

L. Nuisances: No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood or tend to damage or destroy either private or public property.

M. Firearms and Hunting: All types of firearms and pyrotechnics, including but not limited to, shotguns, rifles, and pistols, are prohibited from being discharged or carried on any lot; provided, however, that firearms may be kept inside any residential dwelling for protection purposes only. Hunting of any type, or discharge of any firearms, including pellet guns or B-B guns, is prohibited on any lot.

## 7. MOTORIZED VEHICLES:

A. All motorized vehicles operating on any lot must be properly muffled so as to eliminate noise which might be offensive to others. Two- or three-wheeled motorized vehicles, as well as four-wheel

"go-carts" or "beach buggy" type vehicles, are prohibited from being used or operated on any lot, provided, however, this shall not prohibit use of any vehicles by the U.S. Postal Service or by law enforcement agencies, or of licensed vehicles for necessary ingress or egress to and from any lot.

B. No motor vehicle, boat, marine craft, hovercraft, aircraft, recreational vehicle, pick-up camper, travel trailer, motor home, camper body, or similar vehicle or equipment may be parked for storage in the driveway or the yard of any dwelling or parked on any public street adjacent to the subdivision. No such vehicle or equipment shall be used as a residence or office temporarily or permanently. This restriction shall not apply to any vehicle, machinery or equipment temporarily parked and in use for the construction, maintenance or repair of a residence in the immediate vicinity.

C. Trucks with tonnage in excess of 1 ton and any vehicle with painted advertisement shall not be permitted to park in public view overnight within the subdivision except those used by a builder during the construction of improvements.

D. No vehicle of any size which transports inflammatory or explosive cargo may be kept in the subdivision at any time.

E. No vehicles or similar equipment shall be parked or stored in an area visible from any street except passenger automobiles, passenger vans, motorcycles, pick-up trucks and pick-up trucks with attached bed campers that are in operating condition and have current license plates and inspection stickers and are in daily use as motor vehicles on the streets and highways of the State of North Carolina.

8. EASEMENTS: Declarant for itself, its successors and assigns, reserves the right at any time within twenty years from the recordation of these Covenants to grant easements or rights of way for the installation and maintenance of public or utilities across, on or under any of the property subjected to these covenants. Such easements or right of way shall not extend more than twenty feet from the front lot line or ten feet from a side or rear lot line.

9. USE OF NATURAL GAS: Each purchaser of a lot subject to these Covenants, when constructing a residence thereon, by acceptance of a deed therefor, agrees to utilize the available natural gas within the subdivision for the purposes of, at a minimum, primary central heat, water heating, and gas fireplace logs. It is understood and agreed that the Declarant has entered into a contractual obligation with Piedmont Natural Gas Company to extend a line to serve Arcadia Ridge, and in consideration therefor has placed this burden and obligation upon each lot in Arcadia Ridge. Failure to adhere to this covenant by a lot purchaser constructing a residence on its lot will result in a monetary charge payable to Piedmont Natural Gas Company. Nonpayment of this monetary charge for failure to adhere to this covenant and obligation will give rise to a right of Declarant to file a claim of lien against the lot of the defaulting lot purchaser, and pursue a judgement to compel payment for the charge.

10. STREET ACCEPTANCE BY NCDOT: The streets in Arcadia Ridge have been built to NCDOT standards, and Declarant will apply for acceptance of the streets by the NCDOT for Secondary Streets maintenance at such time as the occupancy of the neighborhood meets the NCDOT requirement. Each lot owner shall be solely responsible for any repair or action required by NCDOT to bring the lot and its road frontage into compliance with NCDOT standards.

11. APPLICABLE PERIOD: The foregoing covenants, restrictions, and conditions shall remain in full force and effect, unless sooner changed in accordance with paragraph 11 herein, until February 1, 2048, at which time said covenants, restrictions, and conditions shall be automatically extended for successive periods of

five years unless by a vote of a majority of the then owners of the lots it is agreed to change the said covenants in whole or in part.

12. GOVERNMENT REGULATIONS: No covenant or restriction contained herein shall be construed to be contrary to or in conflict with any applicable and valid law, ordinance, or regulation of any properly constituted governmental body having jurisdiction over any lot. Any variance between the provisions of this Declaration and any such applicable, valid law, ordinance, or regulation (including any amendment thereof) shall be construed so that the latter shall take precedence.

13. CONSTRUCTION AND ENFORCEMENT:

A. In all cases the restrictions set forth or provided for in these restrictions shall be construed together and shall be given that interpretation or construction which will best tend toward their strict enforcement, and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

B. If the owner of any of the lots subject to this Declaration or their heirs, assigns, or successors in title, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person, persons, firms or corporations owning any real property situated in said development or subdivision to prosecute any proceeding at law or in equity against the person or persons, firms and corporations, violating or attempting to violate any such covenant, and either prevent him or them from so doing or to recover damages for such violations.

C. Invalidation of any one or more of these covenants by judgment or court order shall in no way affect any of the remaining provisions hereof, which shall remain in full force and effect.

14. COMMON AREA/OPEN SPACE/ HOMEOWNERS ASSOCIATION DUES: The area designated on the record plat of Arcadia Ridge, Phase 2 as COMMON AREA/OPEN SPACE will be deeded to and overseen by the Arcadia Ridge Homeowners Association, Inc. An annual assessment will be collected for this purpose from each lot owner. The initial annual assessment shall be \$50.00 per lot. By acceptance of a deed for a lot in Arcadia Ridge, Phase 1 or 2, the lot owner becomes a member of the Arcadia Ridge Homeowners Association, Inc. Only passive recreational uses may occur on this Common Area other than utilities installation and maintenance .

15. AMENDMENT BY DECLARANT: Any restriction, covenant or condition herein other than 1 and 2. may be removed, modified or changed by the Declarant or by securing the written consent of Declarant, which written consent shall be duly executed, acknowledged and recorded in the Office of the Register of Deeds of Davidson County, North Carolina, and which written consent may be given or withheld within the uncontrolled and sole discretion of the Declarant, and its heirs and assigns. The Declarant may convey its rights to remove, modify or change any restriction, condition or covenant of this instrument to any person, firm or corporation by instrument in writing duly recorded in the Office of the Register of Deeds of Davidson County, North Carolina.

IN WITNESS WHEREOF, the 14 day of JANUARY, 2019.

Hubbard Realty of Winston-Salem, Inc.
