MEADOWLANDS HOMEOWNERS ASSOCIATION, INC.

Article I. Name, Principal Office, and Definitions

Section 1. Name. The name of the corporation is Meadowlands Homeowners Association, Inc. (hereinafter sometimes referred to as the "Association").

Section 2. Principal Office. The principal office of the Association in the State of North Carolina shall be located at 1501 Mt. Vernon Church Road, Winston-Salem, Forsyth County, North Carolina, 27107. The Association may have such other offices, either within or outside the State of North Carolina, as the Board of Directors may determine or as the affairs of the Association may require.

Section 3. Definitions. The words used in these By-Laws shall have the same meaning as set forth in that Declaration of Covenants, Conditions, and Restrictions for Meadowlands (said Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), unless the context shall prohibit.

Article II. Association: Membership, Meetings, Quorum, Voting, Proxies

Section 1. Membership. The Association shall have two classes of membership, Class "A" and Class "B", as more fully set forth in the Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference.

Section 2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors either within the Properties or as convenient thereto as possible and practical.

Section 3. Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one year from the date of incorporation of the Association. Meetings shall be of the Voting Members or their alternates. Subsequent regular annual meetings shall be set by the Board so as to occur during the third quarter of the Association's fiscal year on a date and at a time set by the Board of Directors.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a majority of a quorum of the Board of Directors or upon a petition signed by Voting Members representing at least ten percent of the total Class "A" votes of the Association. The notice of any

special meetings shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Voting Members shall be delivered, either personally or by mail, to each Voting Member entitled to vote at such meeting, not less than ten nor more than fifty days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Voting Member at his address as it appears on the records of the Association, with postage thereon prepaid.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the Voting Members shall be deemed the equivalent of proper notice. Any Voting Member may, in writing, waive notice of any meeting of the Voting Members, either before or after such meeting. Attendance at a meeting by a Voting Member or alternate shall be deemed waiver of such Voting Member of notice of the time, date, and place thereof, unless such Voting Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised before the business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Voting Members who are present at such meeting, either in person or by alternate, may adjourn the meeting to a time not less than five nor more than thirty days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Voting Members in the manner prescribed for regular meetings.

The Voting Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Voting Members to leave less than a quorum, provided that Voting Members or their alternates representing at least twenty-five percent of the total Class "A" votes of the Association remain in attendance, and provided further that any action taken is approved by at least a majority of the Members required to constitute a quorum.

Section 8. Voting. The voting rights of the Members shall be as set forth in the Declaration, and such voting rights provisions are specifically incorporated herein.

Section 9. Proxies. Voting Members may not vote by proxy but only in person or through their designated alternates.

Section 10. Majority. As used in these By-Laws, the term "majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty percent of the total number.

Section 11. Quorum. Except as other provided in these By-Laws or in the Declaration, the presence in person or by alternate of the Voting Members representing a majority of the total vote of the Association shall constitute a quorum at all meetings of the Association. Any provision in the Declaration concerning quorums is specifically incorporated herein.

Section 12. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a record of all transactions occurring at the meeting.

Section 13. Action Without A Meeting. Any action required by law to be taken at a meeting of the Voting Members, or any action which may be taken at a meeting of the Voting Members, may be taken without a meeting if written consent setting forth the action so taken is signed by all of the Voting Members entitled to vote with respect to the subject matter thereof, and any such consent shall have the same force and effect as a unanimous vote of the Voting Members.

Article III. Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one vote. Except with respect to directors appointed by the Class "B" Member, the directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the Board at the same time. In the case of an Owner which is a corporation or partnership, the person designated in writing to the secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a director.

Section 2. Directors During Class "B" Control Period. Subject to the provisions of Section 6 below, the directors shall be selected by the Class "B" Member acting in its sole discretion and shall serve at the pleasure of the Class "B" Member until the first to occur of the following:

- (a) when seventy-five percent of the Units permitted by the Master Land Use Plan for the property described on Exhibits "A" and "B" of the Declaration have certificates of

occupancy issued thereon and have been conveyed to Persons other than the Declarant or builders holding title solely for purposes of development and sale;

(b) when, in its discretion, the Class "B" Member so determines.

Section 3. Right to Disapprove Actions. This Section 3 may not be amended without the express, written consent of the Class "B" Member as long as the Class "B" membership exists.

So long as the Class "B" membership exists, the Class "B" Member shall have a right to disapprove actions of the Board and any committee, as is more fully provided in this Section. This right shall be exercisable only by the Class "B" Member, its successors, and assigns who specifically take this power in a recorded instrument. The right to disapprove shall be as follows:

No action authorized by the Board of Directors or any committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

(a) The Class "B" Member shall have been given written notice of all meetings and proposed actions approved at meetings of the Board or any committee thereof by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies as to the Board of Directors meetings with Article III, Sections 8, 9, and 10, of these By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(b) The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program to be implemented by the Board, any committee thereof, or the Association. The Class "B" Member, its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the subject committee and/or to the Board. The Class "B" Member shall have and is hereby granted a right to disapprove any such action, policy, or program authorized by the Board of Directors or any committee thereof and to be taken by the Board, such committee, the Association, or any individual member of the Association, if Board, committee, or Association approval is necessary for such action. This right may be exercised by the Class "B" Member, its representatives, or agents at any time within ten days following the meeting held pursuant to the terms and provisions hereof. This right to disapprove may be used to block proposed actions but shall not extend to the requiring of any action or counteraction on behalf of any committee, or the Board or the Association. The Class "B" Member shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

Section 4. Number of Directors. The initial Board shall consist of three members as identified in the Articles of Incorporation. After the term of the initial Board, the number of directors may be increased as provided in these By-Laws. When increased, the number of directors in the Association shall be not less than seven nor more than ten, as provided in Section 6 below.

Section 5. Nomination of Directors. Except with respect to directors selected by the Class "B" Member, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three or more Members of the Association, with at least one representative from each Voting Group. The Nominating Committee shall be appointed by the Board of Directors not less than thirty days prior to each annual meeting of the Voting Members to serve a term of one year or until their successors are appointed, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. The Nominating Committee shall nominate separate slates for the directors to be elected at large by all Voting Members, and for the director(s) to be elected by and from each Voting Group. Nominations for each slate shall also be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the Voting Members and to solicit votes.

Section 6. Election and Term of Office. Notwithstanding any other provision herein:

(a) Within thirty days after the time Class "A" Members, other than the Declarant or a builder holding title solely for the purposes of development and sale, own twenty-five percent of the Units permitted by the Master Land Use Plan for the property described in Exhibits "A" and "B" or whenever the Class "B" Member earlier determines, the Association shall call a special meeting at which Voting Members representing the Class "A" Members shall elect one of three directors, who shall be an at-large director. The remaining two directors shall be appointees of the Class "B" Member. The director elected by the Voting Members shall not be subject to removal by the Class "B" Member acting alone and shall be elected for a term of two years or until the happening of the event described in subsection (b) below, whichever is shorter. If such director's term expires prior to the happening of the event described in subsection (b) below, a successor shall be elected for a like term.

(b) Within thirty days after the time Class "A" Members, other than the Declarant or a builder holding title solely for the purposes of development and sale, own fifty percent of the Units permitted by the Master Land Use Plan for the property described in Exhibits "A" and "B" or whenever the Class "B" Member earlier determines, the Board shall be increased to seven directors. The Association shall call a special meeting at which Voting Members representing the Class "A" Members shall elect three of the seven directors, who shall serve as at-large directors. The remaining four directors shall be appointees of the Class "B" Member. The directors elected by the Voting Members shall not be subject to removal by the Class "B" Member acting alone and shall be elected for a term of two years or until

the happening of the event described in subsection (c) below, whichever is shorter. If such directors' terms expire prior to the happening of the event described in subsection (c) below, successors shall be elected for a like term.

(c) Within thirty days after termination of the Class "B" membership, all seven directors shall be elected by the Voting Members, with an equal number of directors elected from each Voting Group and any remaining directorships filled at large by the vote of all Voting Members. Four directors shall be elected for a term of two years and three directors shall be elected for a term of one year. At the expiration of the initial term of office of each member of the Board of Directors and at each annual meeting thereafter, a successor shall be elected to serve for a term of two years.

Each Voting Member shall be entitled to cast one vote with respect to each vacancy to be filled from each slate on which such Voting Member is entitled to vote. There shall be no cumulative voting. The directors elected by the Voting Members shall hold office until their respective successors have been elected by the Association. Directors may be elected to serve any number of consecutive terms.

Section 7. Removal of Directors and Vacancies. Any director elected by the Voting Members may be removed, with or without cause, by the vote of Voting Members holding a majority of the votes entitled to be cast for the election of such director. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. A director who was elected at large solely by the votes of the Voting Members other than the Declarant may be removed from office prior to the expiration of his or her term only by the votes of a majority of Voting Members other than the Declarant. Upon removal of a director, a successor shall then and there be elected by the Voting Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Any director elected by the Voting Members who has three consecutive unexcused absences from Board meetings or who is delinquent in the payment of any assessment or other charge due the Association for more than thirty days may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death, disability, or resignation of a director, a vacancy may be declared by the Board, and it may appoint a successor. Any director appointed by the Board shall be selected from the Voting Group represented by the director who vacated the position and shall serve for the remainder of the term of such director.

B. Meetings.

Section 8. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the membership shall be held within ten days thereafter at such time and place as shall be fixed by the Board.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least four such meetings shall be held during each fiscal year with at least one per quarter. Notice of the time and place of the meeting shall be communicated to directors not less than four days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President of the Association or by any four directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (d) by telegram, charges prepaid. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least seventy-two hours before the time set for the meeting.

Section 11. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or whenever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action is taken approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five nor more than thirty days from the date of the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No director shall receive any compensation from the Association for acting as such unless approved by Voting Members representing a majority of the total Class "A" vote of the Association at a regular or special meeting of the Association; provided, however, any

director may be reimbursed for expenses incurred on behalf of the Association upon approval by a majority of the other directors.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 15. Open Meetings. Subject to the provisions of Section 16 of this Article, all meetings of the Board shall be open to all Voting Members, but Voting Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any Voting Member may speak. Notwithstanding the above, the President may adjourn any meeting of the Board of Directors and reconvene in executive session, excluding the Voting Members, to discuss matters of a sensitive nature, such as pending or threatening litigation, personnel matters, etc.

Section 16. Action Without a Formal Meeting. Any action to be taken at a meeting of the directors of any action that may be taken at a meeting of the directors may also be taken without a meeting if consent in writing, setting forth the action so taken, shall be signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 17. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do or cause to be done all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Voting Members or the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

In addition to the duties imposed by these By-Laws or by any resolution of the Association that may hereafter be adopted, the Board of Directors shall have the power to establish policies relating to, and shall be responsible for performing or causing to be performed, the following, in way of explanation, but not limitation:

(g) opening of bank accounts on behalf of the Association and designating the signatories required;

(o) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Properties.

Section 18. Management. The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these By-Laws, other than the powers set forth in subparagraphs (a), (b), (f), (g), and (i) of Section 17 of this Article. The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

Section 19. Accounts and Reports. The following management standards of performance will be followed unless the Board by resolution specifically determines otherwise:

(a) accrual accounting, as defined by generally accepted accounting principles, shall be employed;

(b) accounting and controls should conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

The annual report referred to above shall be prepared on an audited or reviewed basis, as determined by the Board, by an independent public accountant; provided, upon written request of any holder, guarantor or insurer of any first Mortgage on a Unit, the Association shall provide an audited financial statement. During the Class "B" Control Period, the annual report shall include certified financial statements.

Section 20. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair, or restoration of the Area of Common Responsibility without the approval of the Voting Members of the Association. The Board shall also have the power to borrow money for other purposes; provided, the Board shall obtain Voting Member approval in the same manner provided in Article XI, Section 4 of the Declaration for special assessments in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities and the total amount of such borrowing exceeds or would exceed five percent of the budgeted gross expenses of the Association for that fiscal year. Notwithstanding anything to the contrary contained in the Declaration, these By-Laws, or the Articles of Incorporation, during the Class "B" Control Period, no Mortgage lien shall be placed on any portion of the Common Area without the affirmative vote or written consent, or any combination thereof, of Voting Members representing at least fifty-one percent of the Members other than the Declarant and the Declarant's nominees.

Section 21. Rights of the Association. With respect to the Area of Common Responsibility, and in accordance with the Articles of Incorporation and the Declaration, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or Neighborhood and

other owners or residents associations, both within and without the Properties. Such agreements shall require the consent of two-thirds of all directors of the Association.

The Association shall not be bound, either directly or indirectly, by any contract, lease, or other agreement (including any management contract) executed during the Class "B" Control Period unless such contract, lease, or other agreement contains a right of termination exercisable by either party without penalty at any time, with or without cause, upon not more than ninety days notice to the other party.

Section 22. Enforcement. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's right to vote or any person's right to use the Common Area for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Unit. In addition, the Association shall be entitled to suspend any services provided by the Association to a Unit in the event that the Owner of such Unit is more than thirty days delinquent in paying any assessment due to the Association. In the event that any occupant, guest, or invitee of a Unit violates the Declaration, By-Laws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten days within which the alleged violator may present a written request to the Covenants Committee established pursuant to Article V, Section 2, hereof, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(b) Hearing. If a hearing is requested within the allotted ten day period, the hearing shall be held in executive session affording the alleged violator a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, Director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The Board of Directors or the Covenants Committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the ten day

period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

(c) *Appeal.* Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within thirty days after the hearing date.

Article VI. Agreement Between Commission and Declarant for Disposal System

Section 1. Introduction. Meadowlands Development, LLC, a North Carolina Limited Liability Company, organized and existing under the laws of the State of North Carolina (referred to as "Declarant" in the Declaration, as well as hereafter in this Article) has formed the Association for the purpose, among others, of handling the affairs and business of Properties; of operating, maintaining, re-constructing and repairing the Common Area of the Properties and improvements subject to unit ownership, including the Disposal System; and of collecting dues and assessments to provide funds for such operations, maintenance, re-construction and repair. The North Carolina Environmental Management Commission (referred to as "Commission" in the Declaration, as well as hereafter in this Article) must assure that the Disposal System of the Properties is properly constructed, maintained, and operated in accordance with the law and permit provisions in order to protect the quality of the waters of the State and the public interest therein. A copy of the Developer's Operational Agreement is attached.

Section 2. Mutual Agreement. In consideration of the promises and the benefits to be derived by Declarant and the Properties, the Commission and Declarant did mutually agree as follows:

(a) The Declarant shall construct a Disposal System in accordance with the permit and plans and specifications issued and approved by the Commission, and shall thereafter properly operate and maintain such systems and facilities in accordance with applicable permit provisions of law.

(b) The Declarant shall not transfer ownership and/or control of the Disposal System to the Association, or any other entity, until construction has been completed in accordance with the permit and approved plans, and the staff of the Division of Water

Quality has inspected and approved of the facilities. In order to change the name of the permit holder, the Declarant must request that the permit be reissued to the Association or any other entity. The request must include a copy of the appropriate By-Laws and Declaration.

(c) The Declarant shall not transfer, convey, assign or otherwise relinquish or release its responsibility for the operation and maintenance of its Disposal System until a permit has been reissued to the Declarant's successor.

(d) The Declarant shall provide in the Declaration and Association By-Laws that the Disposal System and appurtenances thereto are part of the Common Area and, so long as owned by the Association, shall thereafter be properly maintained and operated in conformity with law and the provisions of the permit for construction, operation, repair, and maintenance of the system and facilities. The Declaration and By-Laws shall identify the entire wastewater treatment, collection and disposal system as a Common Area which will receive the highest priority for expenditures by the Association except for federal, state, and local taxes and insurance.

(e) The Declarant shall provide in the Declaration and Association By-Laws that the Disposal System, so long as owned by the Association, will be maintained out of the Common Expenses. In order to assure that there shall be funds readily available to repair, maintain, or construct the Disposal System, beyond the routine operation and maintenance expenses, the Declaration and Association By-Laws shall provide that a Disposal System Reserve Fund be created out of the Common Expenses. Such fund shall be separate from the routine maintenance funds allocated for the facility and shall be a part of the yearly budget.

(f) In the event the Common Expense allocation and separate reserve fund are not adequate for the construction, repair, and maintenance of the Disposal System, the Declaration and Association By-Laws shall provide for special assessments to cover such necessary costs. There shall be no limit on the amount of such assessments, and the Declaration and Association By-Laws shall provide that such special assessments can be made as necessary at any time.

(g) If a wastewater collection system and wastewater treatment and/or disposal facility provided by any city, town, village, county, water and sewer authorities, or other unit of government shall hereinafter become available to serve the Properties, the Declarant shall take such action as is necessary to cause the existing and future wastewater of the Properties to be accepted and discharged into said governmental system, and shall convey or transfer as much of the Disposal System and such necessary easements as the governmental unit may require as condition of accepting the Properties' wastewater.

(h) Recognizing that it would be contrary to the public interest and to the public health, safety, and welfare for the Association to enter into voluntary dissolution without having made adequate provision for the continued proper maintenance, repair, and operation of its Disposal System, the Declarant shall provide in the Association By-Laws that the Association shall not enter into voluntary dissolution without first having transferred its said system and facilities to some person, corporation, or other entity acceptable to and approved by the Commission as shown by the issuance of a permit.

Article VII. Miscellaneous

Section 1. Fiscal Year. The fiscal year of the Association shall be set by resolution of the Board of Directors. In the absence of a resolution, the fiscal year shall be the calendar year.

Section 2. Parliamentary Rules. Except as may be modified by Board resolution, *Robert's Rules of Order* (current edition) shall govern the conduct of Association proceedings when not in conflict with North Carolina law, the Articles of Incorporation, the Declaration, or these By-Laws.

Section 3. Conflicts. If there are conflicts between the provisions of North Carolina law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of North Carolina law, the Declaration, the Articles of Incorporation, and the By-Laws, in that order, shall prevail.

Section 4. Books and Records.

(a) *Inspection by Members and Mortgagees.* The Declaration, By-Laws, and Articles of Incorporation, any amendments to the foregoing, the rules and regulations of the Association, the membership register, books of accounts, and the minutes of meetings of the Members, the Board, and committees shall be made available for inspection and copying by any holder, insurer, or guarantor of a first Mortgage on a Unit, Member of the Association, or by the duly appointed representative of the foregoing, at any reasonable time and for a purpose reasonably related to his or her interest in the Unit at the office of the Association or at such other place within the Properties as the Board shall prescribe.

(b) *Rules for Inspection.* The Board shall establish reasonable rules with respect to:

(i) notice to be given to the custodian of the records;

(ii) hours and days of the week when such an inspection may be made; and

(iii) payment of the cost of reproducing copies of documents requested.

(c) *Inspections by Directors.* Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the

physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extracts and a copy of relevant documents at the expense of the Association.

Section 5. Notices. Unless otherwise provided in these By-Laws, all notices, demands, bills, statements, or other communications under these By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or if sent by United States Mail, first class postage prepaid:

(a) if to a Member or Voting member, at the address which the Member or Voting Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Unit of such Member or Voting Member; or

(b) if to the Association, the Board of Directors, or the managing agent, at the principal office of the Association or the managing agent, if any, or at such other address as shall be designated by notice in writing to the Members pursuant to this Section.

Section 6. Amendment. Prior to the conveyance of the first Unit, Declarant may unilaterally amend these By-Laws.

Except as other specifically provided herein, these By-Laws may be amended only by the affirmative vote or written consent, or any combination thereof, of Voting Members representing seventy-five percent of the total Class "A" votes in the Association, including seventy-five percent of the Class "A" votes held by Members other than the Declarant, and the consent of the Class "B" Member, so long as such membership exists. In addition, the approval requirements set forth in Article XV of the Declaration shall be met, if applicable. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment to be effective must be recorded in the public registry of Davie County, North Carolina.

If an Owner consents to any amendment to the Declaration or these By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Notwithstanding anything to the contrary contained herein, until termination of the Class "B" Control Period and as long as the Department of Housing and Urban Development ("HUD") and/or the Veterans Administration ("VA") is holding, insuring, or guaranteeing any loan secured by property subject to this Declaration, HUD and/or VA, respectively shall have the right to veto any material amendment to these By-Laws.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

Dear Mr. Ramey:

In accordance with your application received on August 6, 2004, we are forwarding herewith Permit No. WQ0024206, dated August 11, 2004, to Meadowlands Development, LLC for the construction and operation of the subject wastewater collection system extension. This permit shall be effective from the date of issuance until rescinded, and shall be subject to the conditions and limitations as specified therein. This cover letter shall be considered a part of this permit and is therefore incorporated therein by reference.

Please pay particular attention to Permit Condition 3 which requires that the wastewater collection facilities be properly operated and maintained in accordance with 15A NCAC 2H.0227 or any individual system-wide collection system permit issued to the Permittee.

Permitting of this project does not constitute an acceptance of any part of the project that does not meet 1) 15A NCAC 2H.0200; 2) the Division of Water Quality's (Division) Gravity Sewer Minimum Design Criteria adopted February 12, 1996, as applicable; 3) and the Division's Minimum Design Criteria for the Fast-Track Permitting of Pump Stations and Force Mains adopted June 1, 2000, as applicable, unless specifically mentioned herein. Division approval is based on acceptance of the certification provided by a North Carolina-licensed Professional Engineer in the application. It shall be the Permittee's responsibility to ensure that the as-constructed project meets the appropriate design criteria and rules. Failure to comply may result in penalties in accordance with North Carolina General Statute §143-215.6A through §143-215.6C, construction of additional or replacement wastewater collection facilities, and/or referral of the North Carolina-licensed Professional Engineer to the licensing board.

In accordance with the provisions of Article 21 of Chapter 143, General Statutes of North Carolina as amended, and other applicable Laws, Rules, and Regulations, permission is hereby granted to Meadowlands Development, LLC for the construction and operation of approximately 10,450 linear feet of 8-inch gravity sewer; a 500-gallon per minute pump station with duplex pumps, on-site audible and visual high water alarms, and a on-site generator with automatic transfer switch and a 180-gallon per minute pump station with duplex pumps, on-site audible and visual high water alarms, and a on-site generator with automatic transfer switch to serve 170 3-bedroom single family residences as part of the Meadowlands Subdivision project, and the discharge of 61,200 gallons per day of collected domestic wastewater into the City of Winston Salem's existing sewerage system, pursuant to the application received August 6, 2004, and in conformity with 15A NCAC 2H .0200; the Division's Gravity Sewer Minimum Design Criteria adopted February 12, 1996, as applicable; the Division's Minimum Design Criteria for the Fast-Track Permitting of Pump Stations and Force Mains adopted June 1, 2000, as applicable; and other supporting data subsequently filed and approved by the Department of Environment and Natural Resources and considered a part of this permit.

The sewage and wastewater collected by this system shall be treated in the City of Winston-Salem Archie Elledge WWTP (NPDES No. NC0037834) prior to being discharged into the receiving stream.

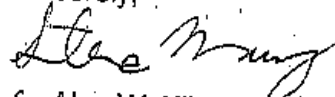

This permit shall become voidable unless the agreement between the Meadowlands Development, LLC and the City of Winston-Salem for collection and final treatment of wastewater is in full force and effect.

The Operational Agreement between the Permittee and the Environmental Management Commission is incorporated herein by reference and shall be a condition of this permit. Noncompliance with the terms of the Operational Agreement shall subject the Permittee to all sanctions provided by North Carolina General Statutes §143-215.6A to §143-215.6C for violation of or failure to act in accordance with the terms and conditions of this permit.

If any parts, requirements, or limitations contained in this permit are unacceptable, you have the right to request an adjudicatory hearing upon written request within 30 days following receipt of this permit. This request must be in the form of a written petition, conforming to Chapter 150B of North Carolina General Statutes, and filed with the Office of Administrative Hearings, 6714 Mail Service Center, Raleigh, NC 27699-6714. Unless such demands are made, this permit shall be final and binding.

3. The wastewater collection facilities shall be properly maintained and operated at all times. The Permittee shall maintain compliance with an individual system-wide collection system permit for the operation and maintenance of these facilities as required by 15A NCAC 2H .0227. If an individual permit is not required, the following performance criteria shall be met as provided in 15A NCAC 2H .0227:

 - b. A map of the sewer system shall be developed and shall be actively maintained.
 - c. An operation and maintenance plan shall be developed and implemented.

 - e. High-priority sewer lines shall be inspected at least once per every six-month period of time.
 - f. A general observation of the entire sewer system shall be conducted at least once per year.

4. This permit shall not be transferable. In the event there is a desire for the wastewater collection facilities to change ownership, or there is a name change of the Permittee, a formal permit request shall be submitted to the Division accompanied by documentation from the parties involved, and other supporting materials as may be appropriate. The approval of this request shall be considered on its merits and may or may not be approved.
5. Construction of the gravity sewers, pump stations, and force mains shall be scheduled so as not to interrupt service by the existing utilities nor result in an overflow or bypass discharge of wastewater to the surface waters of the State.
6. Upon completion of construction and prior to operation of these permitted facilities, a certification, a copy of the construction record drawings, as well as supporting design calculations for any pump stations permitted as part of this project shall be received from a North Carolina-licensed Professional Engineer certifying that the facilities have been installed in accordance with this permit; 15A NCAC 2H .0200; the Division's Gravity Sewer Design Criteria adopted February 12, 1996 as applicable; the Division's Minimum Design Criteria for the Fast-Track Permitting of Pump Station and Force Main adopted June 1, 2000 as applicable; and other supporting materials. 9. In the event that the wastewater collection facilities fail to perform satisfactorily, including the creation of nuisance conditions, the Permittee shall take immediate corrective action, including those as may be required by this Division, such as the construction of additional or replacement facilities.
10. The issuance of this permit shall not exempt the Permittee from complying with any and all statutes, rules, regulations, or ordinances that may be imposed by other government agencies (local, state and federal) which have jurisdiction, including but not limited to applicable river buffer rules in 15A NCAC 2B .0200, erosion and sedimentation control requirements in 15A NCAC Ch. 4 and under the Division's General Permit NCG010000, and any requirements pertaining to wetlands under 15A NCAC 2B .0200 and 15A NCAC 2H .0500.

The Permittee shall verbally report to a Division of Water Quality employee at the Mooresville Regional Office, telephone number (704) 663-1699, as soon as possible, but in no case more than 24 hours or on the next working day, following the occurrence or first knowledge of the occurrence of either of the following:

- a. Any process unit failure, due to known or unknown reasons, that renders the facility incapable of adequate wastewater transport, such as mechanical or electrical failures of pumps, line blockage or breakage, etc.; or
- b. Any failure of a pumping station or sewer line resulting in a by-pass directly to receiving waters without treatment of all or any portion of the influent to such station or facility.

Voice mail messages or faxed information is permissible, but shall not be considered as the initial verbal report. Overflows and spills occurring outside normal business hours may also be reported to the Division of Emergency Management at telephone number (800) 858-0368 or (919) 733-3300. Persons reporting any of the above occurrences shall file a spill report by completing Part I of Form CS-SSO (or the most current Division approved form), within five days following first knowledge of the occurrence. This report shall outline the actions taken or proposed to ensure that the problem does not recur. Part II of Form CS-SSO (or the most current Division approved form) can also be completed to show that the SSO was beyond control.

Permit issued this the 11th day of August, 2004.

Such fund shall be separate from the routine maintenance funds allocated for the facility and shall be part of the yearly budget.
6. In the event the common expense allocation and separate fund are not adequate for the construction, repair, and maintenance of the Disposal System, the Declaration and Association Bylaws shall provide for special assessments to cover such necessary costs. There shall be no limit on the amount of such assessments, and the Declaration and Bylaws shall provide that such special assessments can be made as necessary at any time.
7. If a wastewater collection system and wastewater treatment and/or disposal facility provided by any city, town, village, county, water and sewer authorities, or other unit of government shall hereinafter become available to serve the Development, the DEVELOPER shall take such action as is necessary to cause the existing and future wastewater of the Development to be accepted and discharged into said governmental system, and shall convey or transfer as much of the Disposal System and such necessary easements as the governmental unit may require as condition of accepting the Development's wastewater.
8. Recognizing that it would be contrary to the public interest and to the public health, safety and welfare for the Association to enter into voluntary dissolution without having made adequate provision for the continued proper maintenance, repair and operation of its Disposal System, the DEVELOPER shall provide in the Association Bylaws that the Association shall not enter into voluntary dissolution without first having transferred its said system and facilities to some person, corporation or other entity acceptable to and approved by the COMMISSION by the issuance of a permit.
9. The agreements set forth in numbered paragraphs 1, 2, 3, 4, 5, 6, 7, and 8 above shall be conditions of any permit issued by the COMMISSION to the DEVELOPER for the construction, maintenance, repair and operation of the Disposal System.
10. A copy of this agreement shall be filed at the Register of Deeds in the County(ies) where the Declaration is filed and in the offices of the Secretary of State of North Carolina with the Articles of Incorporation of the Association.
